# ABOUT US

## *Welcome to Council of Central Paramedical Faculty (CCPF)*

Council of Central Paramedical Faculty constituted unit of SHET which are established under Indian Trust Act 1882 by Govt of NCTE vide Reg.No.76/2014 that Working under it's own constitution & Bye Laws to assure & promote the quality in the Para Medical Courses. The council conduct the examinations, issue Diploma certificates & registration to pass out candidates. The Council Affiliate the institution & issue guidelines itself to regulate the Council of Central Paramedical Faculty.

Council of Central Paramedical Faculty (CCPF) aims to promote skill development by catalyzing creation of large, quality and not for-profit vocational institutions. CCPF has been formed for the common purpose of talent development for the Skill Based Sector. CCPF is dedicated to meet the demand for skilled workforce in the skill based work industry in India. Ensure sector capacity building for availability of trained and skilled manpower across industry segments and organization levels.

Paramedical courses in interdisciplinary medical subjects are becoming enormously important in health care systems. In the recent years ,there has been a growing need for qualified & well trained paramedical personnel's. In order to meet the great demand for qualified trained paramedical diploma holder personnel it is necessary to impart the training to the eligible & interested students. Council of Central Paramedical Faculty (CCPF) providing quality education to paramedical personnel since 2015.

A paramedic is a healthcare professional who responds to emergency calls for medical help outside of a hospital. Paramedics mainly work as part of the emergency medical services (EMS), most often in ambulances. The scope of practice of a paramedic varies among countries, but generally includes autonomous decision making around the emergency care of patients.

It will be our moral duty to honor the spirit of encouragement and excitement that will contribute to the field of education and technical education. It is our goal to develop education in the life of those who live in remote hilly areas and to provide technical education and provide them the means of livelihood to connect with the mainstream of the country's development.. Council of Central Paramedical Faculty (CCPF) is a self financed Private Autonomous Institution. We provide Skilled , paramedical and allied sciences Courses Training & Certification, Registration for the only purpose of Candidate employment

### ***AIM OF CCPF***

Many paramedic of paramedical diploma holders of the council serving the nation. Punjab, UT Chandigarh, Haryana, & many other States in India don't have their State paramedical council. Pass out Paramedical's wandering here & there for registration . So council constituted in Private sector for betterment of the paramedical in different field. The successful candidates after the period of training will be come eligible for appointments as Technicians or Assistants in Dental & General Hospitals/Nursing Homes/PHC's. The council provide great employment opportunities & also ensures the availability of sufficient no. of qualified & trained Paramedical for the upliftment of good health care system.

### ***OBJECTIVE***

To provide Skills Based Paramedical Course Training in India

To provide Skills Based Allied Science Education in India.

To provide Primary Health & Nursing Education in India.

To promote Skills & Vocational training in Rural Areas.
